GENERAL INFORMATION

The IREE 2009 Secretariat wishes you every success in your participation in the IREE 2009. To make your stay in Delhi pleasant you may find the following tips useful.

1.1 Time Difference : Indian Standard Time (IST) is the same throughout the country and is 5½ hours ahead of GMT.

1.2. Monetary System : In India, the unit of currency is the Rupee (Rs) divided into 100 paise (P). Change money with **AUTHORISED MONEY CHANGERS** (at the airport, most banks, hotels and certain large shops) and insist on a receipt as it will help you to reconvert unused rupees into the original foreign currency at the time of departure. Avoid people on the street who offer to change your money at a temptingly higher rate of exchange.

1.3. Currency Regulations : There is no restriction in bringing in any amount of foreign currency, travellers cheques, etc., and taking out as much as you brought in. However, if you are carrying more than US\$ 10,000 in the form of currency notes, bank notes or travellers cheques, and/or currency notes alone in excess of US\$ 5,000 (or equivalent) This should be declared, on arrival, on the Currency Declaration Form (CDF), to be attested by the Customs Officer. **When remitting money to India, indicate the bank, branch and full address. No Indian currency may be brought into or taken out of the country.**

1.4. Export Regulations : The visitor can take back all articles brought in by him. In addition, he can take out the following purchased in India ; (a) Souvenirs (including Indian Silk, wool, handicrafts, etc.) without any limit; (b) gold jewellery, silverware and jewellery with precious stones for which if the value is high or the quantity is large an advance RBI permit and export certificate should be obtained from the Customs authorities in advance of travel. In case of jewellery items the appraisal of a renowned jeweller could be presented on the basis of which an export certificate may be taken and declared to Customs. There are restrictions on the export of antiques and art objects more than 100 years old. In case of doubt, consult the Director, Antiquities, Archaeological Survey of India, Janpath (Tel : 0091 11 2301 7443) or Suptdg. Arch ASI, Safdarjung Tomb (Tel : 0091 11 2301 7293, 2301 4186). It is advisable to obtain a certificate of proof. Export of most wildlife products is prohibited or strictly regulated.

1.5. Income-Tax Clearance Certificate : You will need this at the time of departure if your stay in India exceeds 6 months. The certificate is issued by the Foreign Section of the Income Tax Office (ITO), Indraprastha Estate, New Delhi, Tel : 0091 11 23379161 (extn 1650). Observe the instructions under Currency Regulations and Changing Money (above) to facilitate its issue.
